Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Treasury Regulations. This Section 5.1(b)(ii) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(i)(4) of the Treasury Regulations and shall be interpreted consistently therewith.

(iii) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year or other period shall be specially allocated among the Members in proportion to their percentage interests. Any Member Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

(iv) Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required pursuant to Treasury Regulations Sections 1.704-1(b)(2)(iv)(m)(2) or 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of its Interest, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if

the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Members in accordance with their interests in the Company in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such distribution was made in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(v) Curative Allocations. The allocations set forth in Sections 5.1(b)(i), (ii), (iii), and (iv) (the “Regulatory Allocations”) are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss, or deduction pursuant to this Section 5.1(b)(v). Therefore, notwithstanding any other provision of this Article 5 (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Agreement and all Company items were allocated pursuant to Section 5.1(a). In exercising its discretion under this Section 5.1(b)(v), the Board shall take into account future Regulatory Allocations under Sections 5.1(b)(i) and (ii) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Section 5.1(b)(iii).

(c) Redeterminations. If for any taxable period of the Company, the Company is deemed to have a net increase (or decrease) in taxable income as a result of a redetermination by a tax authority resulting from transactions between the Company and any Member or any Affiliate of any Member, the item or items of Profits or Losses that resulted in such increase (or decrease) in taxable income shall be allocated to the Member that was (or the Affiliate of which was) a party to the transaction and the Capital Accounts of the Members shall reflect such allocations.

5.2 Tax Allocations. (a) If, as a result of contributions of property by a Member to the Company or as an adjustment to the Book Tax Value of Company assets pursuant to this Agreement, there is a disparity between the Book Tax Value of any Company asset and the Company's adjusted tax basis in such asset, any items of income, gain, loss and deduction with respect to such property shall be allocated among the Members so as to take account of such variation between the Book Tax Value and the adjusted tax basis of such asset, consistent with Code section 704(c) and the Regulations thereunder using the traditional method permitted under such Regulations.

(b) For purposes of this Agreement, any “excess nonrecourse liabilities” of the Company, within the meaning of Regulations section 1.752-3(a)(3),

shall be allocated among the Members in the same manner as gain from the disposition of all assets of the Company subject to such liabilities would be allocated among the Members pursuant to Code section 704(c)(1)(A).

(c) Any elections or other decisions relating to the maintenance of Capital Accounts or the allocation provisions of this Article 5 shall be made by the Board in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 5.2 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, other items or distributions pursuant to any provision of this Agreement.

## **ARTICLE 6**

### **Distributions**

6.1 *Distributions in Kind*. No distributions of property other than cash shall be made without the consent of all of the Members.

6.2 *No Right to Distributions*. No Member shall have the right to demand or receive distributions of any amount, except as expressly provided in this Article 6.

6.3 *Withholding*. If the Company is required to withhold with respect to any payments, distributions or allocations to a Member by applicable federal, state, local or foreign tax laws, the Company may withhold such amounts and make such payments to taxing authorities as are necessary to ensure compliance with such tax laws. Any funds withheld by reason of this Section 6.3 shall nonetheless be deemed distributed or allocated (as the case may be) to the Member in question for all purposes under this Agreement. If the Company did not withhold from actual distributions or allocations any amounts it was required to withhold, the Company may, at its option, (i) require the Member to which the withholding was credited to reimburse the Company for such withholding; or (ii) reduce any subsequent distributions to such Member by the amount of such withholding. The obligation of a Member to reimburse the Company for taxes that were required to be withheld shall continue after such Member Transfers its Interest in the Company or after a withdrawal by such Member. Each Member agrees to furnish the Company with any representations and forms as shall reasonably be requested by the Company to assist it in determining the extent of, and in fulfilling, any withholding obligations it may have.

6.4 Distributions of cash. [To be provided.]

**ARTICLE 7**  
**Accounting and Reports**

7.1 Books and Records.

(a) The Company shall maintain or cause to be maintained at its principal office, located in the State of Delaware, this Agreement and all amendments thereto and full and accurate books of the Company showing all receipts and expenditures, assets and liabilities, profits and losses, and all other books, records and information required by the Act as necessary for recording the Company's business and affairs. The Company's books and records for financial reporting purposes shall be maintained in accordance with GAAP, consistently applied, except to the extent provided hereunder for purposes of maintaining Capital Accounts in accordance with Article 4 hereof and calculating the Profits or Losses allocated thereto in accordance with Article 5 hereof. Such documents, books and records shall be maintained until two (2) years after the termination and liquidation of the Company. The Company's financial statements shall also be kept in accordance with all applicable regulatory requirements, including the FERC's Uniform System of Accounts, and such financial statements shall be used in connection with setting the Company's rates, subject to regulation by the FERC.

(b) Except as any such right may be limited by the Code of Conduct or any applicable requirements of such orders or rules as the FERC may now or hereafter issue regarding access to facilities, books and records of RTOs, each Member shall have the right at reasonable times during usual business hours to examine, audit and make copies of the books of account and other financial and accounting books and records of the Company and other books and records relating to the reserves, assets, liabilities and expenses of the Company and expenditures by the Managing Member on behalf of the Company, including all information necessary to enable each Member to prepare all federal, state and local tax returns and reports and to support and defend such returns and reports; provided, however, that none of the foregoing activities shall be conducted in a manner that unreasonably interferes with the Company's operations or business or provides any Member (other than the Managing Member) with information that is proprietary or that gives such member a competitive advantage that is not permitted by Order No. 2000 or any other applicable requirements of such rules or orders as the FERC may now or hereafter issue regarding RTOs. Such right may be exercised through any agent or employee of a Member designated in writing by it or by an independent public accountant, engineer, attorney or other consultant so designated. The Member making the request shall bear all expenses incurred in any inspection, audit or

examination made at such Member's behest. Should any inspection, audit or examination disclose any immaterial errors or immaterial improper charges, the Managing Member shall make, or cause to be made, appropriate adjustments therefor. In the event such errors or such improper charges are material and disadvantage one Member relative to the other Members, the Managing Member shall (i) reimburse the Company therefor and (ii) bear all reasonable expenses of such inspection, audit or examination.

### *7.2 Reports to Members.*

(a) As soon as available to the Company and in any event within thirty (30) days after the end of the first eleven (11) months of each Fiscal Year and within forty-five (45) days after the end of the last month of each Fiscal Year, the Managing Member shall cause to be prepared and sent to each Member for the prior month and for the period from the beginning of such Fiscal Year to the end of such fiscal month, a financial statement package which shall (i) be prepared in accordance with GAAP (except that certain footnotes may be omitted); and (ii) set forth in each case in comparative form versus both the figures for the previous Fiscal Year, and the forecast for the current Fiscal Year.

(b) As soon as practicable and in any event within ninety (90) days after the end of each Fiscal Year, the Managing Member shall provide to each Member audited financial statements of the Company for such Fiscal Year setting forth in each case in comparative form the figures for the previous Fiscal Year, certified by such certified public accountants as may be selected by the Managing Member.

(c) The Company or the Managing Member shall provide to each Member on a timely basis such information as a Member may reasonably request regarding the details of transactions recorded in the financial statements described in Subsections 7.2(a) and 7.2(b) hereof.

(d) As requested, the Company shall provide to each Member such information as may be necessary for them to comply with applicable financial reporting requirements of any competent governmental authorities or agencies or stock exchange on which the shares of any such company are listed including, without limitation, the New York Stock Exchange and the U.S. Securities and Exchange Commission and such information regarding the financial position, business, properties or affairs of the Company as a Member may reasonably request.

### *7.3 Tax Matters.*

(a) The Managing Member is hereby designated the "Tax Matters Partner" for federal income tax purposes pursuant to Section 6231 of the

Code with respect to all taxable years of the Company and is authorized to do whatever is necessary to qualify as such. Each Member hereby agrees to join in the execution of such forms or documents or to take such other actions as may be necessary or appropriate to designate the Managing Member as the Tax Matters Partner. Any direct or indirect costs and expenses incurred by the Tax Matters Partner, acting in its capacity as such, shall, upon submission of an adequate accounting, be deemed costs and expenses of the Company, and the Company shall reimburse the Tax Matters Partner for such amounts. The Members hereby agree that the Company shall indemnify the Tax Matters Partner pursuant to Article 12 of this Agreement from and against any and all damages asserted against or incurred by the Tax Matters Partner in connection with any actions which the Tax Matters Partner reasonably believes to be within the scope of the authority conferred on it pursuant to this Agreement.

(b) The Tax Matters Partner shall prepare or cause to be prepared all tax returns required of the Company. As soon as practicable after the end of each taxable year, the Tax Matters Partner shall furnish to each Member such information in the possession of the Tax Matters Partner requested by such Member as necessary to timely fulfill such Member's federal, state, local and foreign tax obligations, including Schedule K-1, or any similar form as may be required by the Code or the Internal Revenue Service (the "IRS"). The Members shall file their respective tax returns, as such pertain to the business of the Company, in a manner consistent with the Company's tax and information returns.

(c) The Tax Matters Partner shall use its best efforts to do all acts and take whatever steps are required to maximize, in the aggregate, the federal, state and local income tax advantages available to the Company and shall defend all tax audits and litigation with respect thereto.

(d) In the event that the Company shall be the subject of any audit, assessment of taxes, other examination by any tax authority, proceedings, or appeal of such a proceeding relating to taxes, whether administrative or judicial (a "Tax Contest"), to the extent the Company is treated as an entity for purposes of such Tax Contest, the Tax Matters Partner shall be authorized to act for, and its decision shall be final and binding upon, the Company and each Member thereof, except to the extent otherwise provided in Code section 6224(c).

(e) The Members hereby authorize the Tax Matters Partner to make (or cause to be made) any elections for tax purposes, including any election under Code section 754, as it determines, in its sole discretion, except to the extent inconsistent with Article 5 hereof with respect to the maintenance of Capital Accounts and allocations thereto; provided, however, that the Tax Matters Partner may not make (or cause to be made) any election to cause the Company to be treated

as an association taxable as a corporation without the approval of a Majority of the Members.

7.4 Annual Operating Budget and Five Year Plan. No later than forty-five (45) days before the end of each Fiscal Year, the Managing Member shall prepare in good faith and submit to the Membership Committee (as defined in Article 8), for its information and comment (but not for its approval), an annual operating budget ("Annual Operating Budget") and five year plan, each of which shall, in the best judgment of the Managing Member, reflect reasonable expectations for the Company during the period covered. The Managing Member shall in its sole discretion approve the Annual Operating Budget and any amendments thereto.

7.5 Agreements with Affiliates

(a) The Company shall not enter into any agreement or contract with a Member, any Affiliate of a Member, or any agent of a Member unless any such agreement or contract shall contain substantially such terms and conditions as would be contained in a similar agreement or contract entered into by the Company as the result of arm's-length negotiations from a comparable unaffiliated disinterested third party.

(b) A Member may provide to the Company such accounting and tax services to the extent such services are necessary for the Member to prepare a consolidated financial statement or a consolidated tax return. No other accounting or tax services shall be received by the Company from a Member except as provided in Section 7.5(a).

**ARTICLE 8**  
**Actions by Members**

8.1 Membership Committee. The Company shall have a Membership Committee made up of all Members. Except as otherwise provided in this Agreement, on all matters requiring approval of the Members, each Member shall be entitled to vote ratably in proportion to its then current Percentage Interest in the Company.

8.2 Meetings. Meetings of the Membership Committee shall be held only at the call of the Managing Member and only for the purpose of seeking the approval or consent of the Members as provided in the Approval Terms of this Agreement or for the consideration of any extraordinary matter, including changes in applicable state or federal income tax laws or regulations, changes in the rules, regulations or policies of the FERC applicable to RTOs or such other laws or regulations applicable to the Company or the Members, as Members. The Members may take action by the vote of Members at a meeting in person or by proxy, or

without a meeting by written consent. Any action required or permitted to be taken at any meeting of the Membership Committee may be taken without a meeting if Members holding Percentage Interests sufficient to approve the action pursuant to the terms of this Agreement consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of the Membership Committee. In no instance where action is authorized by written consent shall a meeting of the Membership Committee be called or notice be given; however, a copy of the action taken by written consent shall be sent promptly to all Members and filed with the minutes of the proceedings of the Membership Committee.

8.3 *Notice, Quorum and Vote Required.* Meetings of the Membership Committee may be called by the Managing Member upon at least five (5) days' prior written notice of the time and place of such meeting. For any meeting of the Membership Committee, the presence in person or by proxy of a Majority of the Members at the time of the action taken shall constitute a quorum for the transaction of business. Unless otherwise specifically provided herein, all matters requiring approval or consent of the Members shall be decided by an affirmative vote or written consent of a Majority of the Members.

8.4 *Power to Bind the Company.* Except as specifically provided pursuant to the Approval Terms of this Agreement or the Act, the Members, other than the Managing Member, shall not participate in the control or operation of the Company. No Member, other than the Managing Member, shall have the authority to sign or deliver any instrument transferring or affecting the Company's interest in any real or personal property. No Member (acting in its capacity as such), other than the Managing Member, shall have any authority to bind the Company to any third party with respect to any matter.

8.5 *Matters Requiring Member Approval.* To the extent that the Members may waive their right to vote, approve or consent in respect of any matter requiring approval of the Members under the Act or other applicable law, the Members (other than the Managing Member) hereby waive any such right. In addition to any other matter requiring approval of the Members under any nonwaivable provisions of the Act or other applicable law, and any other vote of the Members provided under the Approval Terms of this Agreement, an affirmative vote of a Super Majority of the Members holding Class B Interests shall be required for any of the following matters:

(a) any proposal by the Company to (a) enter into any transaction that would result in a change of control of the Company, (b) sell, transfer, lease, exchange or otherwise dispose of all, or substantially all, of the assets of the Company (other than pursuant to a mortgage or security interest entered into in connection with a financing of the Company's business) and all or a portion of the consideration received therefor by the Company is cash, or (c) merge or consolidate

with or into any other entity and all or a portion of the consideration received therefor by the Members is cash. A "change of control" or "transfer of control" as applied herein to the Company shall be deemed to have occurred if, following the consummation of any transaction, less than twenty percent (20%) of the outstanding Interests of the Company (or any successor entity resulting from such transaction) is held by those holders of the Interests of the Company immediately prior to the consummation of such transaction;

(b) any acquisition or business development opportunity that is otherwise permissible under Sections 2.3 and 9.1(c) of this Agreement but is not directly or indirectly related to the provision of electric transmission service, including but not limited to the formation and administration of electric markets, or other services or functions that are commonly performed by RTOs;

(c) any proposal to (i) institute proceedings to have the Company adjudicated bankrupt or insolvent, (ii) consent to the institution of bankruptcy or insolvency proceedings against the Company, (iii) file a petition seeking a reorganization of the Company under federal or state bankruptcy laws, (iv) consent to the appointment of a receiver or trustee for the Company, or (v) make an assignment for the benefit of creditors of the Company;

(d) any proposal to amend the Approval Terms or the Economic Terms of this Agreement.

(e) any proposal to dissolve the Company pursuant to Section 11.1(d).

**ARTICLE 9**  
**Duties and Responsibilities**  
**of the Managing Member**

9.1 *General Management.*

(a) Except as otherwise expressly provided pursuant to the Approval Terms of this Agreement, the Managing Member, in its capacity as a Member of the Company under the Act, shall have sole and complete charge and management of all the affairs and business of the Company, in all respects and in all matters. The Managing Member shall be an agent of the Company, and the actions of the Managing Member taken in such capacity and in accordance with this Agreement shall bind the Company. The Managing Member shall at all times be a Member of the Company. Except as otherwise expressly provided pursuant to the Approval Terms of this Agreement, the Members other than the Managing Member shall not participate in the control of the Company, and shall have no right, power or

(b) At all times the Managing Member shall have a fiduciary duty of loyalty and care to the Company and shall act in good faith and in a manner that the Managing Member reasonably believes to be in the best interests of the Company. In managing the business and affairs of the Company, the Managing Member shall owe the Members a fiduciary duty to maximize the value of the Company, and the assets controlled by the Company and to protect the integrity of the Member's capital investment. The fiduciary duties owed by the Managing Member to the Members shall not require the Directors and Officers to consider the interests of the Members outside the Company's business.

(c) At all times the Managing Member shall operate, maintain, plan and expand the Company's transmission system to meet the needs of all users of such transmission system in a non-discriminatory manner, consistent with all applicable requirements of Order No. 2000 and such other orders or rules as the FERC may now or hereafter issue regarding RTOs.

9.2 *Exclusive Control.* Except as otherwise expressly provided pursuant to the Approval Terms of this Agreement, the Managing Member shall have full, exclusive and complete discretion to manage and control the business and affairs of the Company, to make all decisions affecting the business and affairs of the Company and to take all such actions as it reasonably deems necessary or appropriate to accomplish the purposes and direct the affairs of the Company. The Managing Member shall have the right to manage and make decisions in a manner that the Managing Member reasonably believes will foster the long term growth and prospects of the business, and the Managing Member shall have no duties or liabilities to another Member or other Person for actions and decisions that the Managing Member reasonably believes are necessary, appropriate or consistent with such long term growth and prospects. The Managing Member shall have the sole power and authority to bind the Company, except and to the extent that such power is expressly delegated in writing to any other Person by the Managing Member.

9.3 *Certain Powers.* Except as otherwise expressly provided pursuant to the Approval Terms of this Agreement, the Managing Member shall have the exclusive right, power and authority, in the management of the business and affairs of the Company, to do or cause to be done any and all acts at the expense of the Company, deemed by the Managing Member to be necessary or appropriate to effectuate the business of the Company. Except as expressly provided pursuant to the Approval Terms of this Agreement and, without limiting the generality of the

foregoing, the Managing Member shall have full and complete power and authority, without the approval of any other Member:

(a) to conduct any business that is not inconsistent with the Company's purpose as set forth in Section 2.3 hereof or the provisions of Section 9.1(c) hereof, and to exercise any rights and powers, permitted of a limited liability company organized under the laws of the state of Delaware, in any state, territory, district or foreign country as the Managing Member deems necessary or advisable;

(g) to, from time to time, employ, engage, hire or otherwise secure the services of such Persons, including any Member, as the Managing Member may deem necessary or advisable for the proper execution of its duties as Managing Member hereunder, provided such services are within the scope of the foregoing authority granted to the Managing Member hereunder, with such employment to be for such reasonable compensation and upon such reasonable terms and conditions as the Managing Member shall determine, but only in such a manner that is consistent with the provisions of this Agreement, the Code of Conduct, Order No. 2000 and all applicable requirements of such rules or orders as the FERC may now or hereafter issue regarding RTOs;

(h) to, from time to time, appoint such Executive Officers as the Managing Member deems necessary or advisable, define and modify, from time to time, such Executive Officers' duties, and fix and adjust, as appropriate, such Executive Officers' compensation;

(l) to establish all accounting and tax policies that the Company will use to maintain its books and records.

9.4 *Restrictions on Other Members.* Except as expressly provided in the Approval Terms of this Agreement or required by any non-waivable provision of the Act or other applicable law, no Member other than the Managing Member shall (a) have the right to vote on or consent to any other matter, act, decision or document involving the Company or its business, (b) have the authority to sign or deliver any instrument transferring or affecting the Company's interest in any real property, or (c) take part in the day-to-day management, or the operation or control, of the business and affairs of the Company. Except to the extent expressly delegated by the Managing Member, no other Member or Person other than the Managing Member shall be an agent for the Company or have any right, power or authority to transact any business in the name of the Company or to act for or on behalf of or to bind the Company.

9.5 *Personnel.* The Managing Member may, in its sole discretion, employ for the Company such personnel as it deems appropriate, but only in such a manner that is consistent with the provisions of this Agreement, the Code of Conduct, Order No. 2000 and such rules and orders as the FERC may now or hereafter issue regarding RTOs.

9.6 *Restrictions on Managing Member*. Notwithstanding any contrary provision of this Agreement, without the approval or written consent of all of the Members, the Managing Member shall not have the authority to:

(a) Do any act in contravention of this Agreement or contrary to the best interests of the Company;

(b) Knowingly perform any act that would subject any Member to liability for the debts, liabilities or obligations of the Company;

## ARTICLE 10

### **Transfer of Interests in the Company; Withdrawal of Members**

10.1 *Prohibited Transfers*. Except as provided in Section 10.2 of this Agreement, no Member may Transfer or encumber its Interest in the Company or any part thereof in any way whatsoever, and any such Transfer or encumbrance in violation of this Article 10 shall be null and void as against the Company, except as otherwise permitted herein or provided by law, and the Transferring or withdrawing Members shall be liable to the Company and the other Members for all damages that they may sustain as a result of such attempted Transfer.

10.2 *Permitted Transfers by Members*. No Member may Transfer all or a portion of its Interest in the Company unless:

(a) the Member desiring to consummate such Transfer (the "Assigning Member"), and the prospective Transferee each execute, acknowledge and deliver to all the other Members such instruments of transfer and assignment with respect to such Transfer and such other instruments as are reasonably

satisfactory in form and substance to a Super Majority of the Members, except that the provisions of this Section 10.2 (a) shall not apply to any Transfer that is made immediately prior to, and in connection with , the conversions of that portion of such Interest that is to be Transferred into shares of Class B Common Stock of the Managing Member pursuant to the terms of this Agreement and the Member and Shareholder Agreement and the immediate conversion thereafter of such shares of Class B Common Stock into shares of Class A Common Stock pursuant to the provisions of the Certificate of Incorporation of the Managing Member for purposes of offering and selling such shares of Class A Common Stock to the public or to private investors;

(b) the Transfer will not violate any securities laws or any other applicable federal or state laws or the order of any court having jurisdiction over the Company or any of its assets;

(c) the Transfer will not result in or create a "prohibited transaction" as defined in Code section 4975(c) or result in or cause the Company or any Member to be liable for excise tax under Chapter 42 of the Code or result in or cause the Company or the Company's assets to become the assets of an employee benefit plan (as defined in Section 3(3) of ERISA);

(d) the Transfer will not cause any violation of or an event of default under, or result in acceleration of any indebtedness under, any note, mortgage, loan, or similar instrument or document to which the Company is a party; and

(e) the Transfer will not cause the Company to be classified as corporation (or an association taxable as a corporation) within the meaning of the Code section 7701 or as a publicly traded partnership within the meaning of Code section 7704.

10.3 *Substitute Member.* A Transferee of the whole or any part of an Interest in the Company who satisfies the conditions set forth in Section 10.2 hereof shall have the right to become a Member in place of the Assigning Member (a "Substitute Member") only if all of the following conditions are satisfied:

(b) the Transferee executes, adopts and acknowledges this Agreement, and those certain other agreements set forth in Schedule C attached

(d) No Transferee may become a Substitute Member, and no assignment by the Assigning Member shall become effective, with the prior approval of FERC.

10.4 *Involuntary Withdrawal by a Member.* Upon the occurrence of an event referenced in 6 *Del.C.* § 18-304 of the Act, or any successor provision thereto, the Member with respect to whom such event occurred shall forthwith cease to be a Member and shall have no rights or powers as a Member and the continuation of the Company shall be governed by Section 11.2 of this Agreement.

10.6 *Effect of Transfer.* No Transfer shall relieve any Member from its obligations incurred hereunder prior to such Transfer.

## **ARTICLE 11** **Dissolution and Liquidation**

11.1 *Dissolution.* The Company shall be dissolved upon the first of the following events to occur (each a "Dissolution Event"):

(a) The withdrawal, resignation, dissolution or liquidation of a Member, or the occurrence of an event resulting in the Member ceasing to be such under the Act;

11.2 *Election to Continue the Business.* The Company shall not be dissolved pursuant to a Dissolution Event specified in Subsections 11.1(a) or (f) (except as otherwise provided in the Act), if, within 45 days of such Dissolution Event, a Majority of the Members remaining agree in writing to continue the business of the Company, and in the event there is only one remaining Member, such Member shall have the right to admit a new Member in accordance with the terms of this Agreement.

11.3 *Closing of Affairs.* In the event of the dissolution of the Company for any reason, and in the absence of an election to continue the business of the Company, an independent liquidator (the "Liquidator") selected by a Majority of the Members remaining shall commence to close the affairs of the Company, to liquidate its investments and to terminate the Company. The Liquidator shall act as a fiduciary to the Company and shall have full right and unlimited discretion to manage the business of the Company during the period of closing the affairs of the Company and to determine the time, manner and terms of any sale or sales of Company property pursuant to such liquidation. Upon complete liquidation of the Company's property and compliance with the distribution provisions set forth in Section 11.4 hereof, the Company shall cease to be such and the Liquidator shall execute, acknowledge and cause to be filed all certificates necessary to terminate the Company.

11.4 *Distributions Upon Dissolution.*

(a) The Liquidator shall, as soon as practicable, close the affairs of the Company and sell or distribute the assets of the Company. The assets of the Company shall be applied, to the extent permitted by the Act, in the following order of priority:

(i) First, to pay the costs and expenses of the closing of the affairs and liquidation of the Company;

(ii) Second, to pay the debts and liabilities of the Company;

(iii) Third, to establish reserves adequate to meet any and all contingent or unforeseen liabilities or obligations of the Company, provided that at the expiration of such period of

time as the Liquidator may deem advisable, the balance of such reserves remaining after the payment of such contingencies or liabilities shall be distributed as hereinafter provided; and

(iv) Finally, to all Members in accordance with their positive Capital Account balances, after giving effect to all contributions, distributions and allocations for all periods.

(b) If upon termination and liquidation of the Company, the Liquidator determines that (i) an immediate sale of part or all of the assets of the Company would cause undue loss to the Members, and (ii) the assets of the Company would be readily susceptible to division for distribution in kind to the Members, then to that extent the Liquidator may distribute such assets to the Members in kind. For such purposes, the assets of the Company shall be valued at fair market value at the time of distribution to be determined by an independent appraiser selected in good faith by the Liquidator.

11.5 Orderly Liquidation. A reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the discharge of liabilities so as to minimize the losses normally attendant upon a liquidation.

11.6 Deficit Upon Liquidation. If any Member has a deficit balance in its Capital Account (after giving effect to all contributions, distributions, and allocations for all taxable years, including the taxable year during which such liquidation occurs), such Member shall contribute to the capital of the Company the amount necessary to restore such deficit balance to zero in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(3).

11.7 Technical Termination. Notwithstanding any other provisions of this Section 10, in the event the Company is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g) but no Dissolution Event has occurred, the assets of the Company shall not be liquidated, the Company's liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, solely for federal income tax purposes, the Company shall be deemed to have contributed all of its assets and liabilities to a new partnership in exchange for an interest in such new partnership and, immediately thereafter, the Company will be deemed to liquidate by distributing interests in the new partnership to the Members.

## **ARTICLE 12**

### **Indemnification**

12.1 *Indemnity*. The Company shall indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such Person is or was a Member, an employee or an agent of the Company, against expenses, including attorneys' fees, judgment, fines and amounts paid in settlement actually and reasonably incurred by such Person in connection with the action, suit or proceeding if such Person acted in good faith and in a manner which such Person reasonably believed to be in or not opposed to the best interests of this Company, and, with respect to a criminal action or proceeding, had no reasonable cause to believe its conduct was unlawful; provided that such indemnity shall not be mandatory for any Person seeking indemnity in connection with a proceeding voluntarily initiated by such Person unless such proceeding was authorized by the Managing Member. No Member shall be indemnified with respect to actions between Members or their Affiliates.

12.2 *Advance Payment of Expenses*. The expenses of Members incurred in defending a civil or criminal action, suit or proceeding may be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Member to repay the amount if it is ultimately determined by a court of competent jurisdiction that such Member is not entitled to be indemnified by the Company. The provisions of this subsection do not affect any rights to advancement of expenses to which personnel other than Members may be entitled under any contract or otherwise by law.

12.3 *Other Arrangements Not Excluded*. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to this Article 12:

(a) Does not exclude any other rights to which a Person seeking indemnification or advancement of expenses may be entitled under the Certificate of Formation or any agreement, vote of Members or otherwise, for either an action in any such Person's official capacity or an action in another capacity while holding such Person's office, except that indemnification, unless ordered by a court, shall not be made to or on behalf of any Member if a final adjudication established that such Member's acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action; and

(b) Continues for a Person who has ceased to be a Member, employee or agent and inures to the benefit of the heirs, executors and administrators of such a Person.

**ARTICLE 13**  
**Amendment to Agreement**

Notwithstanding anything contained herein to the contrary, Amendments to this Agreement may be made by the Managing Member, provided, however, that any amendment affecting the Approval Terms or the Economic Terms of this Agreement shall be approved in writing by a Super Majority of the Members. An amendment shall become effective as of the date specified in the Members' approval or, if none is required or specified, as of the date of such approval or as otherwise provided in the Act. Notwithstanding anything contained herein to the contrary, this Agreement may not be amended in any manner that is inconsistent with Order No. 2000 or any other applicable requirements of such rules and orders as the FERC may now or hereafter issue regarding RTOs. A public, informational copy of each amendment to this Agreement shall be filed with the FERC, together with a certificate duly executed on behalf of the Company certifying that such amendment is in compliance with Order No. 2000 and all other applicable requirements of such rules and orders as the FERC may now or hereafter issue regarding RTOs.

#### **ARTICLE 14** **General Provisions**

14.1 *Other Activities.* A Member may engage or invest in, and devote its time to, any other business venture or activities of any nature and description (independently or with others) and shall have no duties or liabilities under this Agreement to any other Member or other Person for engaging in such activities or pursuing such opportunities.

14.2 *Nondisclosure; Publicity.* The Members shall not, at any time directly or through others, use, disclose, publish or otherwise disseminate any and all confidential information of the Company or that of the Members discovered, developed or known by the Members as a consequence of their respective ownership of, employment by or relationship with the Company, including information entrusted to the Company by others, and any proprietary rights, inventions or tangible unpatented proprietary rights of the Company, except that a Member may disclose information to an Affiliate provided that such Affiliate agrees to be bound by the provisions of this Section 14.2, and except as required for any Member's financing, banking or other credit relationships or for any Member's compliance with the securities laws or other applicable laws.

14.3 *Notices.* Unless otherwise specifically provided in this Agreement, all notices and other communications required or permitted to be given hereunder shall be in writing and shall be (i) delivered by hand, (ii) delivered by a nationally recognized commercial overnight delivery service, (iii) mailed postage prepaid by certified mail in any such case directed or addressed to the respective addresses set forth in Schedule A attached hereto (iv) transmitted by facsimile to the

facsimile number set forth in Schedule A attached hereto, with receipt confirmed. Such notices shall be effective: (a) in the case of hand deliveries, when received; (b) in the case of an overnight delivery service, on the next business day after being placed in the possession of such delivery service, with delivery charges prepaid; (c) in the case of certified mail, upon receipt of the written signature card indicating acceptance by addressee; and (d) in the case of facsimile notices, the Business Day following the date on which electronic indication of receipt is received. Any Member may change its address and facsimile number by written notice to the other parties given in accordance with this Section 14.3, following the effectiveness of which notice Schedule A attached hereto shall be updated accordingly.

14.4 Entire Agreement, etc. This Agreement [and those agreements listed on Schedule C attached hereto] shall constitute the entire agreement between the parties hereto relating to the operations of the Company and shall supersede all prior contracts, agreements and understandings between them relating to such operations.

14.5 Construction Principles. As used in this Agreement, words in any gender shall be deemed to include all other genders. The singular shall be deemed to include the plural and vice versa. The captions and article and section headings in this Agreement are inserted for convenience of reference only and are not intended to have significance for the interpretation of or construction of the provisions of this Agreement.

14.6 Counterparts. This Agreement may be executed in two or more counterparts by the parties hereto, each of which when so executed will be an original, but all of which together will constitute one and the same instrument.

14.7 Severability. If any provision of this Agreement is held to be invalid or unenforceable for any reason, such provision shall be ineffective to the extent of such invalidity or unenforceability; *provided, however*, that the remaining provisions will continue in full force without being impaired or invalidated in any way unless such invalid or unenforceable provision or clause shall be so significant as to materially affect the parties' expectations regarding this Agreement. Otherwise, the parties hereto agree to replace any invalid or unenforceable provision with a valid provision which most closely approximates the intent and economic effect of the invalid or unenforceable provision.

14.8 Binding Effect. Subject to the provisions of this Agreement relating to transferability, this Agreement shall be binding upon, and inure to the benefit of, the Members and their respective successors and permitted assigns.

14.9 Additional Documents and Acts. Each Member agrees to execute and deliver such additional documents and instruments and to perform such

additional acts as may be necessary or appropriate to effectuate, carry out and perform all of the terms, provisions, and conditions of this Agreement and of the transactions contemplated hereby.

14.10 No Third Party Beneficiary. This Agreement is made solely for the benefit of the parties hereto and their successors and permitted assigns and no other Person shall have any rights, interest, or claims hereunder or otherwise be entitled to any benefits under or on account of this Agreement as a third party beneficiary or otherwise.

14.11 Waiver of Partition. Each of the Members hereby irrevocably waives any and all rights that such Member may have to maintain any action for partition of any of the Company's property.

14.12 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of law.

**EXHIBIT 1**

**CODE OF CONDUCT**

**I. Background**

It is the policy of the Company to operate in a fair and non-discriminatory manner and to implement such rules and regulations in the governance of the organization as necessary to prevent control, or the appearance of control, of the decision-making process by a Member or Market Participant.

It is the policy of the Company to operate and plan the Transmission System without adverse distinction or preference to any Member or Market Participant.

It is the policy of the Company that the Directors, agents, Officers and employees of the Company shall not have a direct financial interest in, or a conflict of interest with, any Member or Market Participant.

Nothing in this Code of Conduct is intended to restrict or expand any rights that any federal or state regulatory authorities may have to receive or have access to any information.

**II. Standards**

In furtherance of the above policies, the Code of Conduct for the Company shall include, but not be limited to, the following standards:

A. The Company, its Directors, agents, Officers and employees shall operate and plan the Transmission System without adverse distinction or preference to any Member or Market Participant. In addition, the Transmission Tariff shall be applied to any Member or Market Participant without adverse distinction or preference to any of the Members or Market Participants.

B. The operation of the Company shall be conducted in such a manner that it shall be fully separate from the operations of the Members or Market Participants.

C. The Company, in operating its business, shall require any consultant, contractor and/or subcontractor of the Company to disclose to the Company all financial affiliations and conflicts of interest with Members or Market Participants. The Company shall have the discretion to determine if the contents of such disclosure warrant disqualification of such consultant, contractor or subcontractor.

D. No Company Director, agent, Officer or employee shall have any involvement in the sale of electric energy at wholesale or retail except as required or allowed by the Agreement or the Transmission Tariff.

E. The Directors, agents, Officers and employees of the Company shall not have a direct financial interest in, or stand to be financially benefitted by, any transaction with any of the Members or Market Participants. Each Director, agent, Officer and employee of the Company in a decision-making position shall certify in writing that he does not have a direct financial interest in any Member or Market Participant and that a conflict of interest does not exist. To that end, no Company Director, agent, Officer or employee may directly own securities issued by any Member or Market Participants, except under the following circumstances:

1. Each Company Director, agent, Officer or employee shall dispose of those securities within six (6) months of the time of his affiliation or employment with the Company.
2. Each Company Director, agent, Officer or employee shall dispose of those securities within six (6) months of the time a new Member is added, or a new Market Participant begins taking service under the Transmission Tariff, where the Company Director, agent, Officer or employee owns securities of such Member or Market Participant.
3. If a Company Director, agent, Officer or employee receives a gift or inheritance of those securities, he must dispose of such securities within six (6) months of the date of receipt.
4. Nothing in this Exhibit 1 shall be interpreted to preclude a Director, agent, Officer or employee of the Company from indirectly owning securities issued by a Member or Market Participant through a mutual fund or similar arrangement (other than a fund or arrangement specifically targeted towards the electric industry or

the electric utility industry, or any segments thereof) under which the Director, agent, Officer or employee does not control the purchase or sale of such securities.

5. Participation in a pension plan of a Member or Market Participant shall not be deemed to be a direct financial benefit if the Member's or Market Participant's performance has no material effect on such pension plan.

F. The Company Directors, agents, Officers and employees shall not provide non-public transmission and reliability (hereinafter "T/R") information (including T/R information obtained from the Members and Market Participants in the normal course of Company business) to anyone outside the Company. Those T/R employees, in turn, are governed by the FERC Order No. 889, 61 Fed. Reg. 21737 (May 10, 1996), order on reh'g, 62 Fed. Reg. 12484 (March 14, 1997) or successor standards of the FERC as far as sharing any such information with their respective merchant employees, as determined under the applicable standards of the FERC. The Company shall maintain the confidentiality of any market information obtained from merchant employees of any Market Participant or other entity.

G. If an employee of the Company disclosed confidential information relating to the operation or function of the organization, which disclosure is contrary to the Code of Conduct, then notice of such disclosure shall be posted immediately on the Company OASIS (or successor system as approved by the FERC).

H. The Company Directors, agents, Officers and employees shall treat all information supplied by an entity seeking transmission service under the Transmission Tariff, or supplied in connection with Company coordination center(s) operations, as confidential, unless the information is required to be put on the Company OASIS, or the entity seeking transmission service agrees that the information can be disclosed, or the information is otherwise publicly available.

Notwithstanding the restrictions contained in this Paragraph H, Company Directors, agents, Officers and employees may share information with third parties where required to satisfy the Operating Standards and Policies of the North American Electric Reliability Council (hereinafter "NERC") or successor reliability entity. A confidentiality statement must be executed by the third party before any such information is disclosed. To the extent required by FERC regulations, such information shall be put on the Company OASIS.

I. Company Directors, agents, Officers and employees shall not give preferential access to transmission information, or any other information, to any third party.

Company Directors, agents, Officers and employees shall be prohibited from providing to any entity engaged in wholesale or retail sales of electric energy, or to any employee, representative or agent of any such entity (except T/R employees as provided in Paragraph F, Section II of this Exhibit 1), information regarding the Transmission System covered by the Transmission Tariff, unless that information is: (i) posted on the Company OASIS; (ii) otherwise available to the general public without restriction; or (iii) is the type of information disclosed to any third party on a non-preferential basis.

Any disclosures of transmission information not in compliance with this Paragraph I shall be posted immediately on the Company OASIS.

J. Directors, agents, Officers and employees of the Company shall strictly enforce all Transmission Tariff provisions established by the Company. In the event any Director, Officer, agent or employee of the Company may exercise his discretion, or is allowed by the Transmission Tariff to exercise his discretion, with respect to transactions or actions covered by the Transmission Tariff, then such discretion shall be exercised fairly and impartially, and such event shall be logged and available for FERC audit.

K. No employee, agent or contractor of any entity engaged in wholesale or retail sales of electric energy shall have access to the Company coordination center(s), except for education tours approved by the Company President where notification of such tours is posted on the Company OASIS.

L. Notices shall be posted on the Company OASIS of any employee engaged in transmission and/or reliability functions who is terminated or transferred from the Company. The posted information shall include the name of the employee, the title of the employee while performing service for the Company, and the effective date of the transfer or termination.

M. The Company shall maintain its books and records separately from those of any Member or Market Participants.

N. The Company shall establish and file with the Board of Directors a complaint procedure for alleged violations of any of the Code of Conduct as set forth here. The complaint procedure shall provide for the opportunity of alternative dispute resolution, as set forth in the Agreement.

O. The Company shall inform and train Company Directors, agents, Officers and employees with regard to this Code of Conduct. The Company shall distribute copies this Code of Conduct to each Company Director, agent, Officer and employee, and require that each such Director, agent, Officer and employee execute a compliance statement. The Company shall monitor compliance with this Code of Conduct. Any Director, agent, Officer or employee of the Company failing to comply with this Code of Conduct may be subject to disciplinary action. Discipline may take the form of reprimand, suspension without pay, limitation in the scope of responsibilities, monetary fines, or termination, which discipline shall be within the discretion of the Company.

When used in this exhibit, the following terms shall have the following meanings:

"Company" means either Manager Corp. or TRANSCO LLC.

"Transmission Service" means the transmission of electric power and the provision of ancillary services pursuant to the Transmission Tariff.

"Transmission System" means facilities used to provide Transmission Service.

"Transmission Tariff" means the tariff filed by the Company and approved by FERC for non-discriminatory open access transmission service on the Company's Transmission System.
